Dear etoy ZAI,

We are pleased to inform you that after a rigorous and competitive review process by an international jury, your project, *MISSION ETERNITY* has been accepted for inclusion in the Thirteenth International Symposium of Electronic Arts and ZeroOne San Jose: A Global Festival of Art on the Edge, which will be held concurrently August 7-13, 2006 in San Jose, California. Congratulations!

The Inter-Society for Electronic Arts (ISEA) is an international non-profit organization fostering interdisciplinary academic discourse and exchange among culturally diverse organizations and individuals working with art, science and emerging technologies. The 2006 edition of the internationally renowned ISEA Symposium will be held August 5-13, 2006, in San Jose, California

ZeroOne San Jose is a milestone festival to be held biennially that makes accessible the work of the most innovative contemporary artists in the world. Hundreds of artists will exhibit in dozens of exhibitions and over 50 performances to create one of the largest and most significant events at the intersection of art and technology in the history of North America. In 2006 ZeroOne San Jose will be held in conjunction with the ISEA2006 Symposium.

It is exciting to be part of the growing community of electronic media arts festivals worldwide. We are delighted your project will be included as part of ISEA2006 and ZeroOne San Jose: A Global Festival of Art on the Edge

Yours sincerely,

Steve Dietz
