ArtCast featuring etoy

Friday Artcast went to see etoy's MISSION ETERNITY (M ∞)
<http://www.etoym.com> - <http://missioneternity.org>

« a digital/physical multi user sarcophagus for the information age. bridging the gap between generations as well as the gap between the world of flesh and the info space of memory. M ∞ is the community of the living and the death in the public info sphere »,

and recorded an interview with etoy.ZAI (CEO etoy corp.) and etoy.SILVAN (special agent r&d), connecting the « most expensive art performance in history »

<http://history.etoym.com/history/stories/entries/49>

with this new « ultra long-term » project and giving you 20 minutes 6 seconds of background information. Please note that the (late-night) interview is in schwyzertütsch.

The etoy.TANKS

<http://www.etoym.com/blog/archive/2006/02/22/m-tank-arrived-in-zuerich.html>

will stay at Walcheturm

<http://www.walcheturm.ch>

Zürich March-April '06, guided tours every Monday, 16-19h.

Befor listening to the interview you might want to take a quick introductory look at the M ∞ project announcement

<http://www.etoym.com/blog/archive/2006/02/27/start-of-etoym-s-mission-eternity-m-in-zurich.html>

and today's NZZ article.
